

**What Size are the Beads?** The images below show the actual size, in millimeters (mm), of various beads. Cut out and try on to find your size.

**How Will The Necklace Fit on Me?** When designing a necklace with Gemkitty, you choose a base length of either 16 or 18 inches (to which we add an up-to-two inch extender). Create a measuring tape by cutting out the ruled strips below and joining the dotted lines together.
